The ultimate goal is to raise awareness about the tremendous work that credit unions and other financial cooperatives are doing around the world and give members

the opportunity to get more engaged. The day of festivities for credit unions and financial cooperatives globally includes fundraisers, open houses, contests, picnics, volunteering and parades.

The 75th anniversary of International Credit Union Day® is set for Thursday, October 19, 2023. This year, we will gather as a global movement under the theme: "Empower Your Financial Future with a Credit Union™."

We encourage credit unions around the globe to share social media stories of member empowerment on ICU Day. World Council shared one such example on Episode 16 of The Global Credit Union Podcast. International Credit Union Day is brought to you by World Council of Credit Unions and Credit Union National Association (CUNA).

Take a few minutes to stop in for a visit on this day. Our door is always open and we greatly appreciate all of our members.
